The image shows the top toolbar of the TinyMCE editor. The toolbar is divided into several sections. The first section contains undo, redo, cut, copy, paste, link, and unlink icons. The second section contains text formatting icons: italic, bold, italic, underline, strikethrough, subscript, and superscript. The third section contains list creation icons: bulleted list, numbered list, decrease indent, and increase indent. The fourth section contains a 'Formats' dropdown menu, a 'Source' icon, and a 'Table' icon. The fifth section contains a 'Table' icon, a 'Table of contents' icon, and an 'Image' icon. The bottom of the image shows the text 'P 0 WORIPowered by TinyMCE (https://www.tinymce.com/?utm_campaign=editor_referral&utm_medium=PO'.
